AURAN  **Celenzea**  Fatimah

Mission

We carry out our operations in parallel with our brand positioning, reflecting a firm stance among FMCG companies through our domestic production in Türkiye, social responsibility projects, and environmental consciousness. In the sector we operate in, it is of great importance to us to act with respect toward animals, individuals, and nature — while ensuring complete satisfaction with our responsible, character-driven team members.

Mission & Vision

Vision

Our long-term goal is to export and e-export to over 118 countries. We have strong expertise in brand positioning and the private label process, which enables us to deliver “full service” solutions in a competitive market. We aim to become not just a manufacturer, but a marketing-driven company, elevating FMCG branding in Türkiye to an entirely new dimension.

About Us

We carry out our operations together with our production team at our manufacturing center located in Kayseri. Meanwhile, our office teams operate from management hubs in the United States, the United Kingdom, and Turkey.

Established in 2022, our company offers more than 1,500 product varieties, aiming to provide customers with one of the widest selections in the market.
